"When Jesus spoke to the people again, He said, I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."

- John 8:12

A Humble Mother

May ushers in warmer weather, increased sunshine, and the beauty and aroma of freshly blooming flowers. It is a month where Mom's are celebrated for motherhood, maternal bonds and their influence in the lives of their families and society. What better time than this to celebrate the life and character of Mary, the mother of Jesus. Most are familiar with Mary because she was a virgin whom was impregnated by the Holy Spirit however there are many things that can be gleaned from her briefly chronicled story. This innocent young woman was being honored and chosen to give birth to the Son of God. When the angel told her of God's plan she was naturally fearful but she was reassured that she need not be afraid. She had done nothing wrong, in fact, she had found favor with God.

Mary's story is unique. Her narrative demonstrates that God's plan does not always align with the plans you have for yourself. Mary's plans were interrupted and she surrendered them (her plans) to God's will. Mary's response was one of acceptance and praise.

Worthy Praise

Accepting God's will brought Mary joy and echoes of praise. When we understand and seek to say yes to His plan for our lives the response should be likewise,

"My soul glorifies the Lord
and my spirit rejoices in God my Savior,
for he has been mindful of the humble
state of his servant.
From now on all generations will call me
blessed,
for the Mighty One has done great
things for me—
holy is his name."
